NEW York, Aug. 11—The freight market shows little if surfurpreviously. Rether to regular and low. Inthinant freights are very dult, and the stanner yesterday, outlide of a loo of retironal trou, had the smallest curve than has been subjoined by this route in many years. Markets temain about the same. est onened active but weaker excepting on which is scarce and waster to cover conscis. Provisions steadier and more active.

45 Years Before the Public. THE CENUINE DR. C. McLANE'S

LIVER PILLS FOR THE CURE OF

Hepatitis, or Liver Complaint; DYSPERSIA AND SICK HEADACHE Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with dax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of mensory, accompanied with a painful sen-sation of having left undone something which ought to have been done.
A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily star led, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exer-cise would be beneficial to him, vet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to

have been extensively deranged. AGUE AND FEVER. Dr. C. McLane's Liver Pills, in CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better the most mappy testing carbartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all bilious derangements, and as a simple purgative, they are unequaled.

BEWARE OF IMITATIONS. The genuine are never sugar coated. Every box has a red wax seal on the fid, th the impression Dr. McLane's Liver
